

Are you avoiding french fries because they make you feel bloated and gross? Our crispy baked french fries won't! MyFries is a fresh new concept that offers over a 1000 combinations and you can load your fries just the way you like them. You can have just the fries, pick from our delicious choices or you can create your own poutine with a variety of toppings. There is so much more you must come and see for yourself.

MyFries is a family run quick service restaurant and because our food is made from scratch, we are dedicated gluten free, have vegan options (incl. vegan gravy), have dairy free options and we're peanut free!
